

# The True Axis of Evil

By

Rabbi Levi bar Ido/ E. L. Nydle

Today and throughout world history, politicians have seldom seen the spiritual dimensions that are undergirding their political agendas. Politicians do not care about nor consider the spiritual forces that motivated the masses who elected them. On the other hand, those who are spiritually minded fail to see the political application of their convictions and beliefs. In this physical realm (*Asiyah*) evil forces are more numerous than the good. Our eyes are often veiled to the invisible realm that surrounds us. These invisible forces are the “man behind the screen” pulling the strings that control us. Since the human mind can be manipulated and controlled, those with the knowledge of how to control the masses can rule over those who do not have a clue that they are secretly being manipulated.<sup>1</sup>

The evil forces are called the *klippot*. This word means “shell or husk”.<sup>2</sup> It is similar to the shell of a nut or a skin on a fruit. These *klippot* form when there is ignorance and denial of what is good. They manifest as mistaken beliefs, emotions, thoughts, and actions by humans. These “husks” are sometimes disguised as good, while actually being the root of all that is evil. Mankind has become an expert in the field of using the deceptive powers of the *klippot* to misguide and manipulate millions over the course of history.

---

<sup>1</sup> By definition cultic mind control is a process of either unconscious or intentional change of an individual's behavior, thought, and emotional patterns through subtle, deceptive, and damaging means by unethical spiritual leaders who hold positions of trust and authority over them. It involves a process whereby an individual's means of independent thought is effectively controlled and even overcome by degrees, and an entirely different mode of thinking is adopted by them which is supplied by these leaders.

<sup>2</sup> In the Kabbalah the term *klippot* appears, which means "husks" or "shells" as in the husk of a grain of wheat or the shell of a nut. Specifically it refers to the husks of darkness or realm of impure emanations; hence the "other side" of the Tree of Life. The *klippot* are the manifestation of being-consciousness-force bound to cosmic ignorance, and thus come into being by way of the principle of *tzimtzum* in the creative process - as the Light of the Infinite is progressively restricted impure emanations arise. This phenomena is strongly connected to the shattering of vessels - remnants left from former cycles of creation prior to this present cosmic cycle; hence energy intelligence that has yet to be reintegrated into the Light.

*Klippot* are not threatened by religious debates, doctrines, or dogma. They feed off the confusion, chaos, prejudices, anger, fears, and opinions of the religious crowd. It is only those who have the understanding of the true nature of spiritual matters that can expose the manifestations of the *klippot*. Ignorance of truth helps to feed these spiritual vampires, as mankind is the food source for the *klippot*. These forces have no problem finding those who would willingly hurt, degrade, and destroy others in the service of their viewpoint of the “good”, which is really evil in disguise. Entire nations, religions, and political parties provide a vast feeding ground for the *klippot*. Millions of deceived souls are unknowingly like cattle that provide the meat for these ravenous forces of malevolence.

There is a conflict to be waged against the *klippot*. The war is the battle for the minds of men. Misguided people are being held as prisoners of the war for the mind.<sup>3</sup> We have to fight to emancipate the minds of men from fallacious emotions, opinions, and actions. Most of the wars throughout history are due to a strong connection between the military /political complex and the spiritual elements that are rooted in the *klippot*. When innocent blood is spilt, you can be sure the forces of the *klippot* are hard at work.

- **Rom 12:2** *And be not conformed to this age, but be transformed by the renewing of your mind, in order to prove by you what is the good and pleasing and perfect will of Elohim.*

*Klippot* manifest as mistaken beliefs, emotions, ideas, theology, feelings, and actions. Man acts in accordance to what he “feels” is right and believes. Our feelings and beliefs are based upon our perception and world-view. Sometimes these are shaped by powerful unconscious forces in the media that we are not even aware of consciously. Subliminal messages<sup>4</sup> can be sent inside a message, music, media broadcasts, and pictures. These subliminal messages bypass the conscious mind and enter directly into the subconscious mind without any censorship. The

---

<sup>3</sup>“That you are a slave, Neo. Like everyone else you were born into bondage. Into a prison that you cannot taste or see or touch. A prison for your mind... I'm trying to free your mind, Neo. But I can only show you the door. You're the one that has to walk through it. “**Morpheus-The Matrix**

<sup>4</sup> Researchers at the Department of Psychology at the Hebrew University of Jerusalem indicate that the studies they have conducted show that subliminal messages have a great influence on the attitudes and political behavior.

*klippot* know that you can reach deep within the human mind and plant information by other various methods of mind control techniques often used by cults in controlling their followers.

Mass communication is a direct line into the minds of others. The internet and television give the *klippot* a vast means to place deep within the human mind mistaken ideas, thoughts, beliefs, and feelings that serve their malevolent purposes. The unknowing prey then adopts those false beliefs as their own and acts accordingly not knowing the true source of these suggestions. This is how the *klippot* can dominate and control entire nations and people. The use of propaganda demonstrates the power these forces have upon human thought and behavior.<sup>5</sup>

Having said all that, we must stress that no rectification on the physical realm can take place without actions. When one understands this truth, then one is ready to combat the forces of the *klippot* that seek to control our behavior. We have been taught how to overcome these forces of deception and confusion. We must seek to strengthen our minds to the will of YHWH. We can overcome our emotions and feelings and control our actions.

We have the free will to choose good or evil. Truth has been given to us as a gift in the form of YHWH's Torah. The Torah teaches us how to clearly choose the good and reject the evil. Each action we do in this physical realm either strengthens the *klippot* or helps to rectify this world (*tikkun olam*). But, before we can physically do the right thing and overcome the evil in this world, we must first win the battle within and defeat the *klippot* that been spiritual terrorists in our minds.

We have been given all the tools of warfare that can empower us to root out and expose the *klippot*. Physical and spiritual freedom only comes to those who are willing to fight for it. We can defeat the true Axis of Evil- the *klippot*.

---

<sup>5</sup> "An important part of all totalitarian systems is an efficient propaganda machine. The very purpose of this structure has always been to protect the "official opinion" as the only opinion that one is effectively allowed to have. Whoever disagrees with such an "official opinion" must be destroyed either physically or by the propaganda machine. If an execution is not an option, he or she must be stripped of the very basic human dignity. "The effective propagandist must be a master of the art of speech, of writing, or journalism, of the poster and of the leaflet. He must have the gift to use the major methods of influencing public opinion such as the press, film and radio to serve his ideas and goals, above all in an age of advancing technology. . . It may be good to have power based on weapons. It is better and longer lasting, however, to win and hold the heart of a nation." **Nazi Joseph Goebbels 1934**
