

WHAT WE BELIEVE

The **13 Principles of Faith** are these:

1. YHWH exists; He creates and directs all creation.
2. YHWH is one (echad) and unique. He alone is Elohim-He was, He is, and He will be.
3. YHWH is incorporeal, but can be found in His fullness in the man, Yahshua.
4. YHWH is eternal.
5. Prayer is to YHWH only. We are not to serve or worship any other.
6. The prophets spoke truth.
7. Moshe was the greatest of the prophets and Yahshua is the Messiah prophesied in the TaNaK.
8. The entire Torah was given to Moshe, and taught perfectly by Yahshua. The Messiah did not abrogate the Torah of Moshe, but rather brought it to its fullness.
9. There will be no other Torah and it cannot be changed. It has not been replaced.
10. YHWH knows the thoughts and deeds of all men.
11. YHWH will reward the righteous and punish the wicked.
12. The Messiah has come and He will come again.
13. The dead will be resurrected.
